15. Multidisciplinary / interdisciplinary					
<p>According to new education policy, Interdisciplinary/ Multidisciplinary education would aim to develop all capacities of human beings -intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner. Such an education will help develop well-rounded individuals that possess critical 21st century capacities in fields across the arts, humanities, languages, sciences, social sciences, and professional, technical, and vocational fields; an ethic of social engagement; soft skills, such as communication, discussion and debate; and rigorous specialization in a chosen field or fields. Such a holistic education shall be, in the long term, the approach of all undergraduate programmes, including those in professional, technical, and vocational disciplines. Flexibility of syllabus and no hard separation of arts/science/commerce/engineering/social sciences. The institution offers arts programme, science college is also in the campus, commerce college, I.T.I institute are in the same village. If UGC, Government and University provide permission to offer interdisciplinary / multidisciplinary course to our college, the college has scope and can positively apply the various choice to the students. Holistic and overall development of the students like knowledge, skill and technological aspects lead to better</p>					

development of the student and also contribute more to the development of the nation.

16. Academic bank of credits (ABC):

The institution is readily accept the NEP and would accept Academic Bank of Credit facility. The institute would like to orient students regarding Academic credit facility and provide them educational flexibility accordingly. The structure and lengths of degree programmes shall be adjusted accordingly. The undergraduate degree will be of either 3 or 4-year duration, with multiple exit options within this period, with appropriate certifications, e.g., a certificate after completing 1 year in a discipline or field including vocational and professional areas, or a diploma after 2 years of study, or a Bachelor 's degree after a 3-year programme. The 4-year multidisciplinary Bachelor's programme, however, shall be the preferred option since it allows the opportunity to experience the full range of holistic and multidisciplinary education in addition to a focus on the chosen major and minors as per the choices of the student. An Academic Bank of Credit (ABC) shall be established which would digitally store the academic credits earned from various recognized HEIs so that the degrees from an HEI can be awarded taking into account credits earned. The 4-year programme may also lead to a degree 'with Research' if the student completes a rigorous research project in their major area(s) of study as specified by the HEI. HEIs will have the flexibility to offer different designs of Master's programmes: (a) there may be a 2-year programme with the second year devoted entirely to research for those who have completed the 3-year Bachelor 's programme; (b) for students completing a 4-year Bachelor 's programme with Research, there could be a 1-year Master's programme; and (c) there may be an integrated 5-year Bachelor's/Master's programme. Undertaking a Ph.D. shall require either a Master's degree or a 4-year Bachelor's degree with Research. The M.Phil. programme shall be discontinued.

17. Skill development:

Besides conventional degree courses in the college, vocational courses would be introduced for the benefit of the students. Students can learn skill which may lead him for self-earning and livelihood in stead of seeking for job in the market. The institution will offer various vocational courses to the rural set-up students like Computer skill, Yoga, Karate, Mehndi and Beauty care, Embroidery, handicrafts. More over with collaboration with other institution in the village the students have scope of learning diploma courses like fire-safety diploma, wire man, motor-rewinding, diesel mechanic, fitter. etc.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Programmes in Indian languages, comparative literature, creative writing, arts, music, philosophy, etc. will be launched and developed across the country, and degrees including 4-year B.Ed. dual degrees will be developed in these subjects. These programmes will, in particular help to develop a large cadre of high-quality language teachers - as well as teachers of art, music, philosophy and writing - who will be needed around the country to carry out this Policy. The institution offers programmes of Gujarati and Sanskrit language at B.A. Gujarati language has its roots in Gujarat and has rich cultural heritage depicted in prose and poems. Some educational videos will be uploaded on Youtube for learners. Audio-videos of Gujarati drama will help the learners to understand better about culture, society and heritage of Gujarat. Sanskrit is undoubtedly the Classical language of India which contains culture, history, heritage and human values as well as literary values. The institute will offer 'Online Spoken Sanskrit Course' to the learners. Online course of 'Adivasi folk Literature of Gujarat' (Tribal Gujarati Folk Literature)

19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

According to new education policy, education would aim to develop all capacities of human beings -intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner. Such an education will help develop well-rounded individuals that

possess critical 21st century capacities in fields across the arts, humanities, languages, sciences, social sciences, and professional, technical, and vocational fields; an ethic of social engagement; soft skills, such as communication, discussion and debate; and rigorous specialization in a chosen field or fields. After completion of Graduation the student would fulfil the demand of outer world in terms of working, ethics and morality. The students must possess skills during higher education which would be helpful him to earn with skill and knowledge. The courses would be included which are in demand by the market.

20.Distance education/online education:

The National Education Policy 2020 recognizes the importance of leveraging the advantages of technology while acknowledging its potential risks and dangers. It calls for carefully designed and appropriately scaled pilot studies to determine how the benefits of online/digital education can be reaped while addressing or mitigating the downsides. In the meantime, the existing digital platforms and ongoing ICT-based educational initiatives must be optimized and expanded to meet the current and future challenges in providing quality education for all. Teachers require suitable training and development to be effective online educators. online assessments also require a different approach. There are numerous challenges to conducting online examinations at scale, including limitations on the types of questions that can be asked in an online environment, handling network and power disruptions, and preventing unethical practices. The following measures are important for online education; -Pilot studies for online education -Digital infrastructure -Online teaching platform and tools - Content creation, digital repository, and dissemination: -Virtual Labs -Training and incentives for teachers: -Online assessment and examinations: The institution would like to offer online course in Computer skill, Spoken Sanskrit, Adivasi literature in Gujarati language, Polo forest and Temples as Historical Place...etc.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Examination Committee is formed which arranges examination and make

necessary reforms. Demand for re-assessment is forwarded to university in prescribed format. At college level, application is taken from the student and the examination committee solves the issue transparently. The following steps are taken to redress grievances and make the examination transparent. Examination Committee is formed of Three Faculty members, having In-Charge and Two Members. The Examination committee held meeting with the faculty members in presence of the Principal. How to conduct internal tests in fair, free, transparent and copy free atmosphere is discussed. Teachers of related subjects and semester draw question paper of internal examination and submit to Examination committee. Whole process is confidential. The faculty members make evaluation of seminar/assignments, internal tests and internal college examination most objectively. So hardly any case of grievances regarding evaluation. If any student feel grievance, he can apply to Examination committee in written form / prescribed form and the faculty member re-look at his answer paper. This process is done in a one week. Internal marks are displayed on notice board and also posted on WhatsApp groups of the students semester-wise and subject-wise. Internal mark-sheet is uploaded to University on-line.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The college runs B.A. programme offering five main subjects Gujarati, History and Sanskrit, English, Sociology. Defence study as subsidiary subject and English as a Compulsory subject in every semester. It is a CBCS semester pattern having 4 credits of each main paper. Each year has two semesters. Six semesters have 144 credits points. Programme outcome (PO), Course Outcome (CO) and Programme Specific Outcome (PSO) are displayed on college website and also on notice board. The institution has many committees like IQAC committee, 'Saptadhara' Committee, N.C.C. units, N.S.S. units...etc for planning and implementation of curricular, co-curricular and extra-curricular activities. Various committees evaluate their programme outcome. The Principal and IQAC committee also monitor qualitative progress of each and every program and

suggest necessary changes for qualitative improvement. Gujarati is a mother tongue of Gujarat. So, students become aware with Gujarati Literature. Sanskrit is a classical language, it retains our ancient traditions and culture, so students get benefit of such incredible Indian Culture and Tradition. History is a subject, which is not offered in any nearby colleges, so students come from remote areas to study History as a main subject. The students learn about past civilization.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The college runs B.A. programme offering five main subjects Gujarati, History and Sanskrit, English, Sociology. Defence study as subsidiary subject and English as a Compulsory subject in every semester. It is a CBCS semester pattern having 4 credits of each main paper. Each year has two semesters. Six semesters have 144 credits points. Programme outcome (PO), Course Outcome (CO) and Programme Specific Outcome (PSO) are displayed on college website and also on notice board. The institution has many committees like IQAC committee, 'Saptadhara' Committee, N.C.C. units, N.S.S. units...etc for planning and implementation of curricular, co-curricular and extra-curricular activities. Various committees evaluate their programme outcome. The Principal and IQAC committee also monitor qualitative progress of each and every program and suggest necessary changes for qualitative improvement. Gujarati is a mother tongue of Gujarat. So, students become aware with Gujarati Literature. Sanskrit is a classical language, it retains our ancient traditions and culture, so students get benefit of such incredible Indian Culture and Tradition. History is a subject, which is not offered in any nearby colleges, so students come from remote areas to study History as a main subject. The students learn about past civilization.
